Welcome to the reimagined and redefined Machan - the city's first 24 hours international eatery with a pioneering culinary legacy that began in 1978. Machan – where the past meets the present, allow us to take you back to the much-loved rendezvous of Delhi in a contemporary avatar.

Machan presents an all-day dining experience offering an international à la carte menu to suit every mood and palate, from breakfast through to dinner and further to our exclusive midnight repertoire.

Forests of the world and India have inspired our Chefs to create an eclectic menu that celebrates the flavours and colours of the Jungle. Discover our novel repertoire of beverages inspired by the elements of the forest - there is something for everyone.

As per the guidelines issued by Food Safety & Standards Authority of India (FSSAI) an average active adult requires 2000 kcals of energy per day. However, the actual calories needed may vary per person
