THESE TREATMENTS ARE EXCLUSIVE TO JIVA AND HAVE BEEN CAREFULLY RECREATED FROM THE FABLED LIFESTYLE AND CULTURE OF INDIAN ROYALTY AND THE HEALING THERAPIES THAT EMBRACE INDIAN SPIRITUALITY.

(M) SAMATTVA Balance Duration - 180 Mins

Our signature Yoga treatment takes you through a profoundly contemplative and meditative journey, leading to a heightened state of well-being.

After a personalised consultation, our yoga expert will guide you through a series of 'Āsanās' (body and mind postures) and 'Prānāyāmās' (controlled breathing techniques) leaving you energised and balanced. Experience higher levels of concentration with 'Trataka' (steady flame gazing) and Kaya Sthairam (consciously stilling the body).

Restore the body's chakras (energy centres) and enhance clarity of mind with gem stone visualisation, an intense colour therapy experience. You will then be asked to pick a contemplation card. The inspiring word inscribed upon it, needs to be reflected upon and an intention - 'sankalpa' is to be made. Guided meditation followed by Yoga Nidrā (a state of conscious deep sleep) amplifies your relaxed state of being and offers you pristine moments of lucidity. Journal writing ends this introspective experience.

This spiritual therapy embracing ancient practices is effective in helping you attain poise and equilibrium in mind, body and emotion.

(M) VISHRAMĀ Deep Muscular Duration - 120 Mins

An application of hot compress of therapeutic Indian herbs works on your tired and sore muscles. A HOLISTIC KNOWLEDGE SYSTEM, AYURVEDA DEALS WITH NOT JUST THE PHYSICAL, BUT ALSO THE MENTAL, THE EMOTIONAL, THE SPIRITUAL AND THE ENVIRONMENTAL ASPECTS OF WELL BEING. IT IS THIS MULTI-DIMENSIONAL PERSPECTIVE THAT MAKES AYURVEDA TRULY UNIQUE.

Ayurveda further defines health as happiness and disease as sorrow. It has a two fold objective - to attain 'Sukha' - happiness and more importantly to prolong this state of bliss.

🌿 CONSULTATION Duration - 30 Mins

Ayurveda believes that every one of us is unique; there are no standard prescriptions or programs. We respect the individual in you and hence after a consultation with our Ayurveda physician, a course of treatment is prescribed. This is based on a careful scrutiny of your lifestyle, your medical history, your needs and in true royal mode, your likes and dislikes as well. The prescribed plan includes treatments that are administered by our trained therapists with the appropriate blend of oils and herbs. This consultation is extremely important for deciding the ideal Ayurveda program for you. For long term benefits, the physician will also offer a lifestyle consultation to benefit your health requirements.

🌿 ABHYANGA Including Snānā Duration - 75 Mins

The medicated herbal oil application, Abhyanga is not really a massage; it is a program where the oil is liberally applied using soft and gentle strokes in the downward direction. The mere soaking of the body in the prescribed oil for the said duration on a regular basis will yield wide ranging benefits like good appetite, alertness during the day, good sleep at night and reduced stress levels. It removes fatigue and simple pains, gives a glowing skin and most importantly protects one from outside influences (builds your immunity).

🌿 SNĀNĀ Traditional Medicated Bath Experience

Ayurveda desires that you continue to remain in the state of 'gentle ease and calmness' which you have drifted into during our various body treatments. You will be bathed by our therapist using a soothing combination of herbal paste and medicated water.

🌿 UDVARTANĀ Including Snānā Duration - 75 Mins

A body toning program, Udvartana is the application of a combination of herbal powder and oil on the entire body, excluding the face. When this treatment is taken as part of a program including an appropriate diet, regular exercise and internal herbal medication, as prescribed by the Ayurveda physician, it helps to reduce weight and gives you a well-toned body. The blend of powder and oil also acts as a scrub to improve the texture and rejuvenate your skin.

M) **MUKHALEPĀ** Traditional Herbal Facial Duration - 60 Mins

A traditional beauty regimen, this Ayurveda facial gently cleanses and tones delicate skin. A medicated face pack enriched with natural herbs followed by application of exotic Saffron oil, enhances the texture of the skin, leaving it blemish-free. A relaxing foot massage adds a soothing touch during the treatment.

M) **DINACHARYA** Including Snānā Duration - 120 Mins

A gateway to the world, our senses connect to the mind and the consciousness, completing the circle of perception. This program gives you an experience of the physical cleansing process in the dinacharya or daily routine program, wherein each of your senses is carefully looked after. The perception of the sense of smell, taste, form, touch and sound is dependant on the proper functioning of the nose, the tongue, the eyes, the skin and the ears. Using oils/herbs based on the physician's recommendation, the therapist will proceed to gently work with each of your senses using the following treatments:

ANJANĀ – The gentle application of a medicated liniment to the inner skin of your lower eyelids. This treatment removes impurities, accentuates the natural beauty of your eyes and improves eyesight, when practiced regularly

NASYĀ – Two drops of medicated oil are instilled in each nostril, which is then inhaled deeply. This enables removal of phlegm from the respiratory channels thus permitting easy breathing and better perception of the sense of smell.

GANDUSHĀ – A medicated therapy that gently improves oral hygiene by holding natural fluids like milk, honey, oil, etc., (as recommended by the physician) for 3-8 minutes in the mouth. This treatment will strengthen your teeth and gums, and more importantly, improve sensitivity of your taste-buds and freshness in your mouth.

DHUMAPANĀ – A therapy that requires inhaling medicated fumes through each nostril to experience an enhanced sense of smell. It removes excess phlegm and also opens up the sinuses.

Karnapooranā. A few drops of medicated oil are instilled into each ear canal to experience more clarity in your sense of hearing. Also prevent build-up of earwax with this medicated oil.

ABHYANGA – as described earlier.

M) **KATI BASTI/PRUSHTHA BASTI** Duration - 45 Mins

A time-honoured intensive treatment highly recommended for relieving fatigue of the upper or lower back.

Katibasti is a therapeutic application in which warm medicated oil is poured into a black gram dough ring and placed on the spot of pain or discomfort. The deep fomentation of the oil radiates through the muscles releasing tension and stiffness.

A light massage with the spa's therapeutic oil enhances the benefits of this treatment, leading to deep relaxation and comfort.

At least three treatments of Kati Basti are recommended for maximum benefit.

PICHU Duration - 30 Mins

An authentic traditional treatment for relieving stress and stiffness in your joints or back.
