southern spice

Southern Spice welcome you to an exotic culinary experience. With its temple and palace inspired decor, richly laid interiors and food artistically presented, it remains the most authentic address for a taste of South Indian cuisine and is recognized amongst Asia's top restaurants.

Mindful of its illustrious past and a legendary culinary rigor, the craft of its master chefs has remained unyielding and unrelenting over the years. The quest for excellence requires them to undertake ritual journeys, across disparate locales from historical palaces to the bylanes of small towns and alluring coastal hamlets of South India, unearthing traditional recipes and mastering cooking styles.

We invite you to join us in this journey where the past and the present come together to transport you to another world where colours, flavours and aromas come alive.

Namaskaram to Southern Spice!

As per the guidelines issued by Food safety & Standards Authority of India (FSSAI) an average active adult requires 2000 kcals of energy per day. However, the actual calories may vary per person.
