Cal27 is a blend of the old and the new. The traditional and contemporary design elements highlight the dynamic menu which showcases a wide array of cuisines and dishes. Inspired by the legendary architecture of north Kolkata, showcasing traditional green shutters overlooking a central courtyard with black and white chequered flooring, Cal27 evokes a sense of the rich heritage of Kolkata.

This menu is a balance of popular international specialties along with contemporary Indian dishes.

The wide range covers dishes from across the country and international best sellers, with a few unique Taj dishes. From Bengali favorites to sandwiches and burgers, from classic grills to signatures, the menu reflects the rich legacy of the Taj.
As per the guidelines issued by Food Safety & Standards Authority of India (FSSAI), an average active adult requires 2000 kcals of energy per day. However, the actual calories needed may vary per person.

Mentioned Calorie values for all dishes in the menu are considered as per portion size of the same.

Please scan the below mentioned QR code for detailed information on the Nutritional Values of each item in the menu.
