Upom, derived from the sanskrit word Upoman, refers to the atmosphere, a limitless sky. Our high-rise all-day dining restaurant is geared to bring in plenty of views along with contemporary Indian and Italian fare, both indoors and alfresco. Our team in the kitchen remains equally inspired to give you the world on a plate. With fresh ingredients, some of which trace themselves to our own herb garden, signature specialities, reimagined local classics and plenty of imagination. In more ways than one, truly atmospheric.
