Salon

The award winning Taj Salon at the Taj Mahal Palace, has an illustrious 75 years history, of offering world class beauty services & products. It first opened its doors in 1940, by, Madame Jacques (a French national), as one of the only 2 salons in the country. It pioneered the shape of the salon industry as it is known today. It has styled the hair of the who's who of the world at that time, including former Ms. World, Madame Pompadour in those times. Madame Jacques had created a differentiation by importing colors/ products from Singapore & other countries in a time when only locally made products were available. The Salon offers a wide range of services for Men and Women from Haircuts and styling to hair textures, extensions, color treatments and Hair rituals which include the Signature Head Massage, Moroccan Oil Rituals & Luxurious Organic Hair Rituals. In addition, it offers an exclusive range of anti-thinning treatments, Signature Depilatory services, bespoke Facial treatments, a Nail Studio and Make up Artistry.
