

TAJ

GANDHINAGAR RESORT & SPA
GUJARAT

WHERE TIMELESS EXPERIENCES MEET UNMATCHED HOSPITALITY.

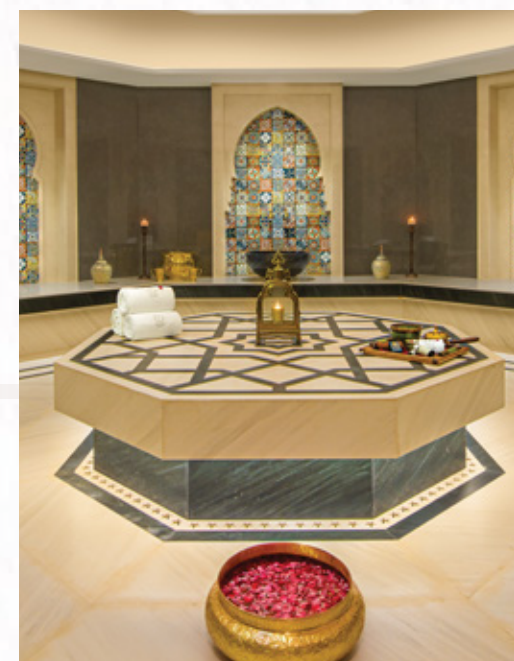

INTRODUCTION

Taj Gandhinagar Resort and Spa is a grand, 6-acre oasis of soulful indulgences. It will rejuvenate you, elevate you and celebrate you in what has been conceived and created to be the true wellness capital of Gujarat.

The hotel is located at a pleasant, bracing, 45 minute drive from Ahmedabad airport. You wend your way through the filigreed shade of trees, the chirping of birds and acres of millets plantations that whisper good tidings to the wind.

The last-mile approach to the hotel already starts calming and soothing you as you leave the bustle of the city behind. It sets the stage for the beauty of the welcome that awaits you.

Enter a serene, palm fringed driveway as the hotel's distinct blue domes unveil magnificently into view. Step over soothing flagstones as you walk past lush lawns and fountains sparkling in dappled light cascading through the trees, before being greeted by a grand entrance that is a series of stately arches held up by tall and majestically designed pillars. Let the cool environs of the glorious reception area fill you with a joyous peace as your eyes take in the intricate dewdrop chandeliers poised regally over a beautiful water-body. Feel your mind, body and soul beginning to gently synchronise with the wondrous rhythm of this soulfully designed and holistic resort.

EXPERIENCES

J WELLNESS CIRCLE

This is one of the most comprehensive Spas you will come across, equipped with latest rejuvenation sciences. It comprises two couple treatment suites with Jacuzzis, steam and shower, six single treatment suites with steam and shower, a relaxation lounge, the wellness café, and a unisex fitness centre. The experiential treatment area consists of sensorial loungers, an expansive hammam, Vichy shower, an ice chute with changing and shower area, among a host of other wellness facilities. The hammam offers the luxuriously curated “Parimarjana” experience.

This is a unique luxurious bathing ritual with natural ingredients that purify and rejuvenate. This treatment ensure that the body is realigned and the energy flow within restored. You can also avail of therapies like Vishuddhi which involves a friction or “Gharshana” using our signature silk gloves to mobilize lymphatic drainage, in our unique Vichy Shower area, or take a revitalising dip in the outdoor swimming pool that offers a separate changing area with shower room and lockers.

J WELLNESS CAFÉ

Nourish your body with wholesome ingredients and refined delights at the J Wellness Cafe, an oasis of nourishment and relaxation, nestled within the sylvan environs of Taj Gandhinagar Resort and Spa.

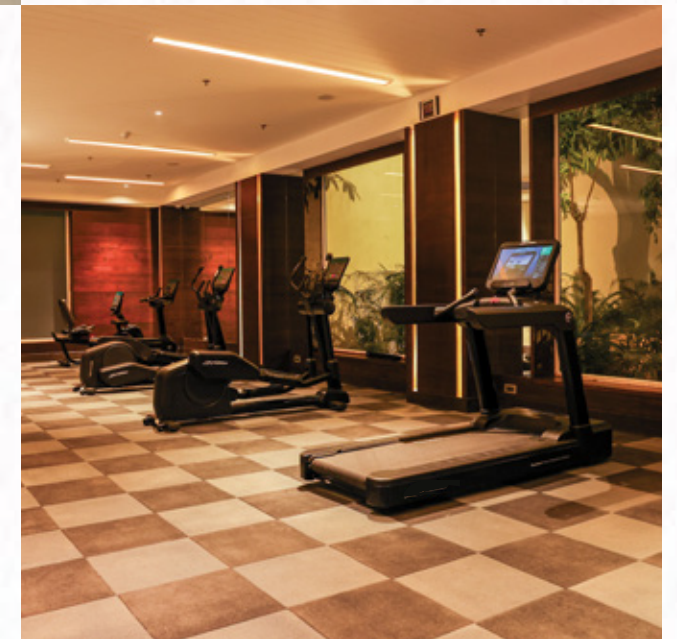

EXPERIENCES

THE AYURVEDA SANCTUARY

This is a beautifully designed independent structure, offering time-honoured and holistic Ayurveda programmes. Treatments are administered in special suites that have been conceived in the traditional style of an Ayurveda physician or Vaidya's house. The Sanctuary also comprises yoga studios, whereas the outdoor area offers a reflexology path, tranquil meditation courtyards and landscaped relaxation zones.

Skilled Ayurveda physicians will put you through holistic healing for Pain Relief (Svastha), Detox (Shodhana) and Sleep (Nidra). Signature experiences include Panchakarma, Vishrama, Sushupti and Pehlwan Malish. Indian Therapies like Indian Aromatherapy, Indian Cupping (Ventoz), Champi (Indian Head Massage), Pada Mardana (Foot Massages) and Eye Therapy are also offered. All of this is bestowed amidst surroundings densely populated by ancient trees, flowering shrubs and foliage.
