This out of the ordinary restaurant get its name from the snow-glazed Jade Dragon mountain massif in China and the tranquil waterways that flow through its vale. Characterized by its many pungent, aromatic flavors and seasonings, our culinary delights will invoke the four elements – earth, fire, wind and heaven – and will transport you to the Yunnan and Sichuan provinces at the heart of the middle kingdom.
As per the guidelines issued by Food Safety & Standards Authority of India (FSSAI) an average active adult requires 2000 kcals of energy per day. However, the actual calories needed may vary per person.
