What is Vivanta by Taj?

Vivanta is a new signature in hospitality. Vivanta challenges your expectations of a hotel. We engage you, energize you, relax you. We help you find the hidden beauty in life.

We celebrate what you are; our entire ethos is built around your wants but we also seek to surprise you in little unexpected ways.

Welcome to Vivanta – and celebrate the good things in life.

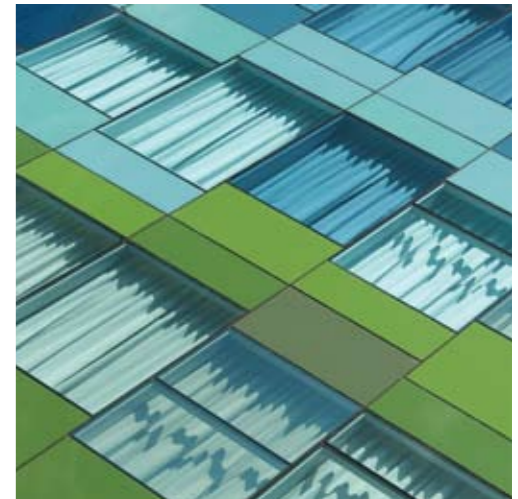

Vivanta design

Bang at the main entrance to the International Tech Park, Bangalore (ITPB), notice a unique design structure. Rooted to the earth, the building flexes its way mid-air to contain the spaces within. The façade changes colour, texture and tone to express the borderless potential of the guests who will feel at home in Vivanta.

Zestful in spirit and dynamic in design, spaces flow and connect to each other encouraging exchange and interaction. There is always a sense of drama and discovery.

What will you find next at Vivanta?

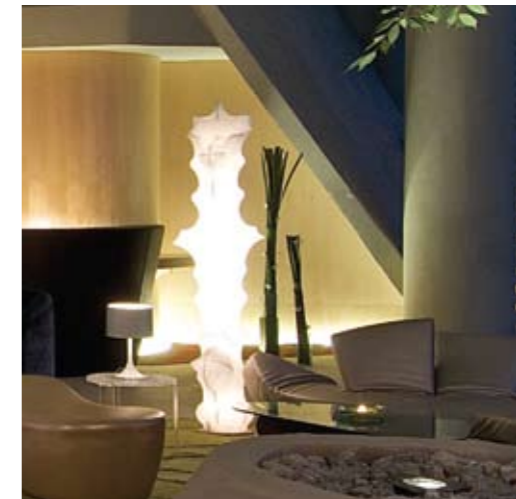

Hello

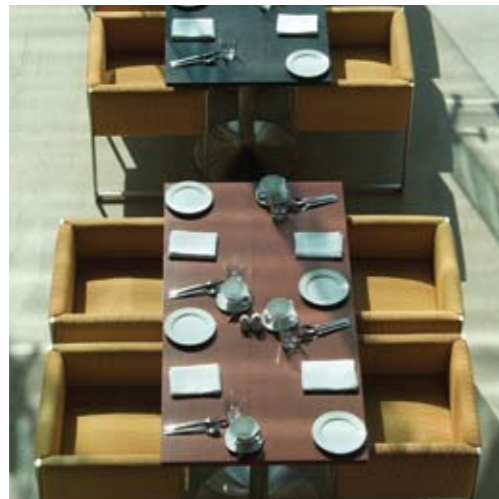

Our welcome is never plastic; it stems from a proud heritage, but do expect a new edge.

Step in and find yourself at home; the lobby intuitively draws you towards Tango, our banquet space, Latitude our all-day diner, Celsius – the poolside ...

Become a part of our world. Let us tease your senses; feel, smell, hear and touch Vivanta.

Smell the Coffee

The drama continues at Latitude, the all-day diner. Marvel at the rippling 'energy field' ceiling, gaze through the 40 feet high windows and settle down to discover a new twist to all day dining!

We assure you of many 'never-before' culinary experiences.

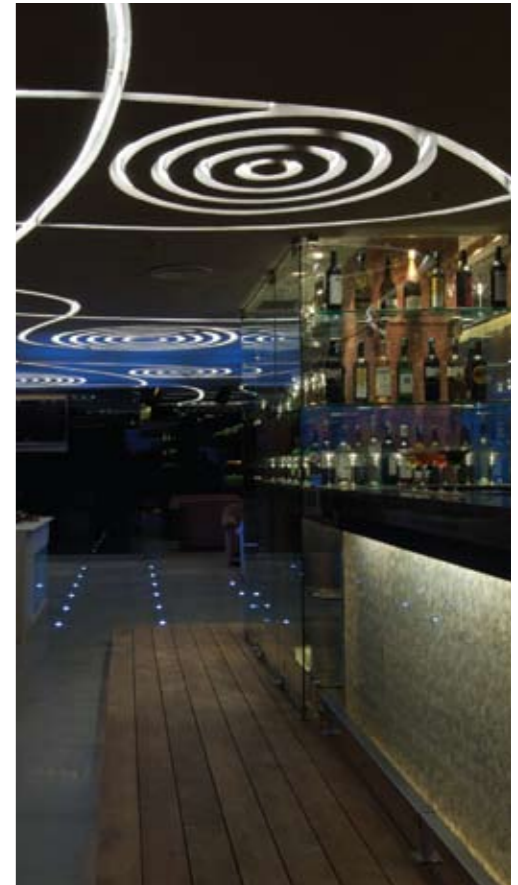

At the edge

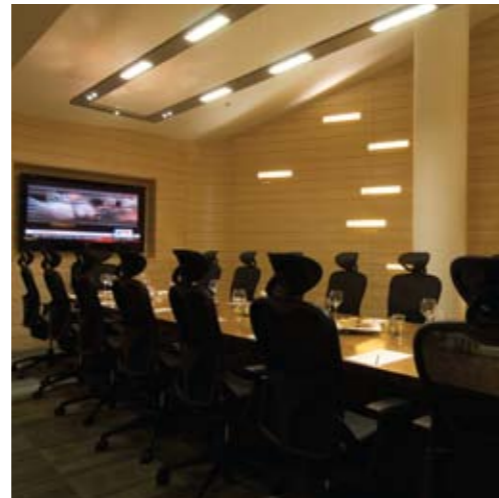

Entertain, energize or if you prefer, unwind at Tease. Choose the garden pavilion zone and take in the view or step in and be charged up by the aural histrionics.

Vivanta signature cocktails, an amazing choice of brands, tapas and grills add to the merriment.

Terracotta – all live cooking, dinner on the patio; under the stars; North West Frontier cuisine, the way it should be.

Work at Vivanta

Hold office from within your room; convene at Oval, the business centre; network at Agenda, our teched-up board room or confer at Tango, our banquet area

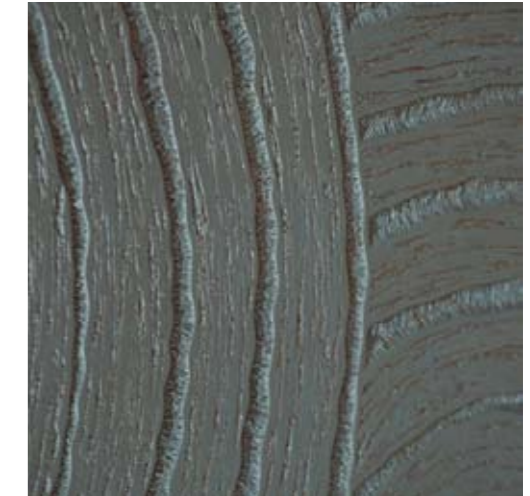

Tango makes over 500 square meters of vivid, contemporary space available for profound meetings, awesome brand launches or vivacious parties

All over, the right 'tech' lurks just below the surface: multi-media panels, internet protocol phones, interactive TVs with rich programming, integrated digital audio-video, info-kiosk ...

At home at Vivanta

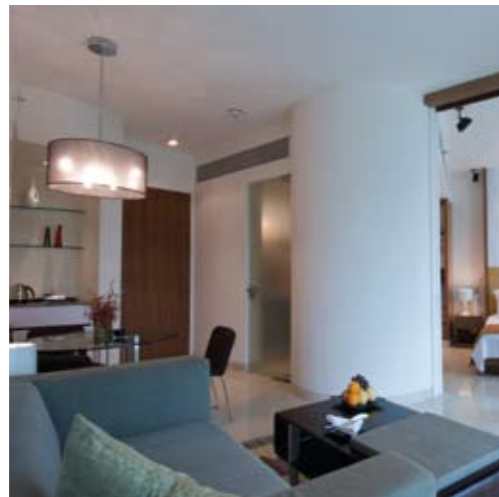

Our rooms have it all worked out – we know what you must have – and then some more! So you have layout options, better space planning, furniture that is designed for the corporate nomad, touches of whimsy and the best of technology.

Interactive TV, IP telephone, multi-media panel: the latest NASDAQ, the temperature in Lusaka, your g-mail on the LCD TV screen – all at the tap of a finger.

Live at Vivanta

Rooms with alternate views, rooms in different shapes, rooms with walk-in wardrobes, baths with rain-showers – live the way you choose

With so much excitement our rooms aren't even named normally! We have Charm, Delight & Indulgence rooms and Allure, Temptation, Loft & Nirvana suites for your pleasure
